

IN THE CLAIMS:

Please cancel Claims 6 to 17 without prejudice to or disclaimer of the subject matter recited therein.

Please amend Claims 1, 2, 4 and 5 to read as follows. A marked-up copy of Claims 1, 2, 4 and 5, showing the changes made thereto, is attached. Note that all claims currently pending in this application, including those not presently being amended, have been reproduced below for the Examiner's convenience.

- 
1. (Twice Amended) A movable camera apparatus comprising:
- a camera unit;
 - a pan head comprising a movable portion and a fixed portion;
 - first and second support portions, provided on said movable portion of said pan head, that tilt rotatably support said camera unit at opposing sides of said camera unit;
 - a first circuit board, disposed in said camera unit, that outputs an image signal from said camera unit;
 - a second circuit board, disposed in said fixed portion of said pan head, for receiving an image signal;
 - a drive unit, disposed in said first support portion, that drives said camera unit in a tilt rotation direction; and
 - a connecting member, disposed in said second support portion, that electrically connects said first and second circuit boards together, and transmits an image signal from said first circuit board to said second circuit board .

2. (Amended) A movable camera apparatus according to Claim 1, wherein said first circuit board is disposed in the second support portion side of the camera unit.

3. A movable camera apparatus according to Claim 1, wherein said camera unit includes a lens unit, and said first circuit board is disposed on the upper side or the lower side of said lens unit in the camera unit.

4. (Twice Amended) A movable camera apparatus according to Claim 1, wherein said connecting member includes a flexible flat cable.

5. (Twice Amended) A movable camera apparatus according to Claim 1, further comprising:

a case member,

wherein said first and second support portions provide an opening portion in the outer side thereof, and said case member is mountable on said opening portion for covering said opening portion.

REMARKS

The claims now pending in the application are Claims 1 to 5; Claim 1 is the only independent claim. Claims 1, 2, 4 and 5 have been amended. Claims 6 to 17 have been cancelled.
